I hereby authorize the opening and keeping of a maintenance and repair file and I also hereby authorize the dealer and his employees to collect, use and communicate to any third party, including the vehicle manufacturer and, if necessary, its affiliates and their providers of services, any personal or other information which is necessary to the constitution of the file. I further authorize, more specifically, but not limited to, the dealer and his employees, the vehicle manufacturer and, if necessary, its affiliates and their provider of services, to use said information for commercial purposes, safety recalls, surveys, customer profile updates, loyalty programs, statistics and service history and, to this end, I consent to receive phone calls, mailings, emails or other electronic communication. This consent may be withdrawn by contacting the dealer. Moreover, I hereby authorize the repair work herein set forth and the use of material necessary to the completion of said repair work. To the extent permitted by law, you are not responsible for loss or damage to the vehicle or articles left in the vehicle in case of fire, theft or any other cause beyond your control or for any delays caused by the unavailability of parts or delays in the shipment of parts by the supplier or transporter. I hereby grant you and your employees permission to operate the vehicle herein described in the streets, highways, or elsewhere for the purpose of testing or inspection.

Any warranties on products sold hereby are those made by the manufacturer. The seller hereby expressly disclaims all warranties, either express or implied, including and implied warranty of merchantability or fitness for a particular purpose and the seller neither assumes nor authorizes any other person to assume for it any liability in connection with the sale of said products. Any limitation contained herein does not apply where prohibited by law.

Privacy Statement: Ask us if you would like information about our Privacy Policy, including our service providers and their data processing in the U.S., which may be accessible to U.S. law enforcement and national security authorities.
